Flood Zone Designation: If your property is located in a flood zone (except Zone C), the First Floor Elevation must be certified to be in compliance with Hendry County Flood Zone Regulations by a State of Florida Registered/Licensed Surveyor or Engineer after the foundation and finished first floor have been installed. This Certificate must be on file in the Building Department prior to requesting the final inspection or a Certificate of Occupancy.

[] Zone "C" – First Floor must be held 18" above the crown of the road.

[] Zone "A" – First Floor must be held 24" above highest adjacent grade.

[] Zone "AH" – First Floor must be held _____ inches above NGVD (MSL), FEMA Map No.

[] Numbered "A" Zone – First Floor must be held _____ inches above NGVD (MSL), FEMA Map No. _____

Mortgage Company: _____ Bonding Company: _____

Address: _____ Address: _____

City: _____ State: _____ Zip: _____ City: _____ State: _____ Zip: _____

Architect/Engineer: _____ License No.: _____

Address: _____

City: _____ State: _____ Zip: _____

Application is hereby made to obtain a permit to do work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the Standards of all laws regulating construction in this jurisdiction. I understand that a separate permit must be secured for electrical work, plumbing, signs, wells, pools, furnaces, boilers, heaters, tanks, air conditioning systems, fences, etc., unless properly licensed contractors under the provisions of Chapter 489 of Florida Statutes, Hendry County Regulations and/ or as the Owner/Builder Exemption have been accepted for construction.

Warning – Work in the right-of-way: This permit does not authorize construction or installation of any structure or utility, above or below ground, within any right-of-way or easement reserved for access, drainage or utility purposes. This restriction specifically prohibits fencing, sprinkler systems, landscaping other than sod, signs, water, sewer, cable and drainage work therein. If such improvements are necessary, a separate permit(s) may be required from the Hendry County Building Department and/or Hendry County Engineering Department or agency responsible for easement.

Owner's Affidavit: I certify that all foregoing information is accurate and that all work will be done in compliance with applicable laws regulating construction and zoning. I have researched Federal, State and local regulations related to this project, and I have received permits from other agencies claiming jurisdiction over this project as required by law. I further understand that any omissions in content of this application or failure to provide additionally required information or to construct to Code may render this permit immediately void and a new permit will be required.

I further acknowledge the following:

- Issuance of a permit may be subject to conditions and is subject to time limitations or constraints.
- Issuance of a permit is not authorization to violate public or private restrictions, laws or regulations.
- Failure to comply with applicable construction regulations may result in with holding of future permits and a STOP WORK ORDER.
- I will comply with all the requests and requirements contained within this application to construct the new residential structure.

Signature: _____
(Owner or Agent including Contractor)

Signature: _____
(Owner/Builder)

State of Florida, County of Hendry

The foregoing instrument was acknowledged before me this _____ day of _____, 200__, by the contractor, their agent or the Owner/Builder, who is personally known to me or who has produced ___ Drivers License or ___ _____ as identification and who did not take an oath.

Application reviewed and approved by _____ Permit Officer

Warning to Owner: Your failure to record a Notice of Commencement may result in your paying twice for improvements to your property. If you intend to obtain financing, consult with your lender or an attorney before recording your Notice of Commencement.

IN ACCORDANCE WITH REQUIREMENTS CONTAINED IN THE FLORIDA BUILDING CODE, SECTION 106.3.5, AND HENDRY COUNTY CODES OR ORDINANCES, THE FOLLOWING INFORMATION IS REQUIRED FOR A NEW RESIDENTIAL STRUCTURE/BUILDING PERMIT.

All items must be submitted to the Building Department at the time of this request for a permit. An incomplete application will not be accepted and may result in the delay of the construction / project. It is your responsibility to provide written authorization / approval for items requiring approval from Departments outside of the Building Department. It will be your responsibility to provide plans or specifications to these agencies, for their review and approval **PRIOR TO PERMITTING:**

1. Documentation of ownership as recorded in public records. Documentation may be a tax bill, or recorded deed (warranty, mortgage or contract for deed). Note: If you are not the owner, as identified by public records, you must obtain written permission to make improvements.
2. Sewer connection and/or design authorization or approval of existing septic tank, new septic tank, (From Hendry County Environmental Health Unit) or written authorization for connection to the appropriate local sewer utility.
3. Written authorization for the potable water connection to the local utility.
4. Zoning approval (if changes will be required from current classified or existing use) from the Hendry County Planning Department.
5. Approval of driveway location and construction from the Hendry County Engineering Department. Please contact the Hendry County Engineer's Office at (863) 675-5222 in LaBelle for questions. Montura Ranch Driveway connections need to call the Central County Water Control District for approval.
6. A contract or agreement with a solid waste disposal company, acceptable to the Hendry County Special Districts Director, to dispose of any solid waste or sludge that may be generated from this project in the form of demolition debris/waste and/or construction debris. Site shall be kept clean at all times (to prevent debris from being blown throughout the area). A portable sanitary outlet (Example: Porta-John) will also be required on the job-site.
7. A list of sub-contractors shall also be submitted at time of permitting. Any changes in sub-contractors will be immediately forwarded to Hendry County Building Department to ensure compliance with current licensure requirements. Sub-contractors are not permitted to work on this job unless properly licensed to perform the activities tasked to them. Must complete and return the attached Sub-Contractor sheet.
8. A boundary survey no more than 18 months old. Owner must locate all markers and stake property prior to first inspection (applies to new construction). Survey shall show all easements and Flood Zone. (engineered scale).
9. Site plan (2 copies) must show the following information within the submitted plans:
 - a. All existing structures. Also show proposed new construction, proposed phases, future projects, etc. with overall dimensions;
 - b. Indicate all proposed or existing ponds, drainage systems, or retention ponds;
 - c. Identify the points of the compass;
 - d. Indicate fire hydrants, standpipe connections, fire pump locations, mains, branches and other potable water system sizes that are to be dedicated to use for fire suppression systems (if provided). Indicate all valve locations;
 - e. Indicate names and locations of adjacent county, city and/or state or federal road systems. Indicate connections to these roads.
 - f. Indicate Septic systems or sewer connections, utilities, demolition;
 - g. Setbacks from structures and property lines;
 - h. Parking.
10. Certification of Compliance with the Florida Energy Code (3 copies) as applicable. Must be signed by owner and designer in applicable locations. Must be compliant with the Florida Building Code.(Jurisdiction 361000)
11. Occupancy group and special occupancy requirements shall be determined.
12. Minimum type of construction shall be as determined by Table 503 of the Florida Building Code.
13. When applicable, fire suppression system plans shall include the following:
 - a. Early warning smoke evacuation system.
 - b. Schematic fire sprinklers.
 - c. Standpipes.
 - d. Pre-engineered systems.
 - e. Riser diagram.

14. Structural requirements shall include:

- a. Soil condition/analysis.
 - b. Termite protection.
 - c. Design loads.
 - d. Wind requirements.
 - e. Building envelope.
 - f. Structural calculations (if required).
 - g. Foundation location, size and reinforcement.
 - h. Wall systems, construction and materials.
 - i. Floor systems, construction and materials.
 - j. Roof systems, construction and materials.
 - k. Stair system, construction and materials.
 - l. Connector tables
15. Handicap accessible bathroom show location (29" Clear opening for doors that serve this bathroom).
 16. Materials for construction shall be reviewed and shall at a minimum include the following:
Wood, steel, Aluminum, Concrete, Plastic, Glass, Masonry, Gypsum board and plaster, Insulating (mechanical), Roofing, and Insulation.
 17. Compaction test indicating a Proctor of at least 95 %. You may be required to remove any soil which may be determined as incompatible for foundations supporting structure (Example: cannot build on "black muck" type soil as your structure may continue to settle, possibly causing structural damage. This type of soil will require a structural engineer to sign and seal your foundation plans, if not removed).
 18. Provide a complete copy of the signed contract and specifications
 19. Provide a copy of the first floor elevation certificate after the foundation or finished first floor level has been determined through permanent or complete construction.

NOTE: THESE ARE MINIMUM REQUIREMENTS. THE PLANS EXAMINER(S) MAY REQUIRE ADDITIONAL DRAWINGS/DETAILS IN ORDER TO COMPLETE THEIR REVIEW. ARCHITECT AND/OR ENGINEERD PLAN(S) MAY BE REQUIRED. IF THE FLORIDA BUILDING CODES OR HENDRY COUNTY REGULATIONS, CODES OR ORDINANCES DO NOT SPECIFICALLY REQUIRE THE ITEMS ABOVE, YOU WILL MAY NOT BE REQUIRED TO PROVIDE THE INFORMATION. (Example: Gas lines if none are proposed; Fire alarm system if not proposed or required by codes; etc.) You should copy the completed permit application for your files prior to applying with the Hendry County Building, Licensing and Code Enforcement office.

Sub-Contractor List for Permit Application

In accordance with Florida Statue 489 and/or Hendry County Ordinance 2004-01, a complete list of all persons contracting work on this project must be identified. These persons must be licensed as contractors, working within the scope of their licenses, unless working under the direct supervision of another licensed contractor, in which his license allows the use. Please identify the following contractors working on this project and their license numbers. All contractors must be either a state certified, state registered with Hendry County, or a hold a Hendry County Certificate of Competency as a Specialty Contractor (Same contractor may work in different areas, when scope allows):

Building / General / Residential:	_____
Pool Contractor:	_____
Air Conditioning/Mechanical:	_____
Plumbing Contractor:	_____
Electrical Contractor:	_____
Roofing Contractor:	_____
Aluminum Specialty Contractor:	_____
Asphalt Sealing / Coating Contractor:	_____
Cabinet and Millwork Contractor:	_____
Carpentry Contractor:	_____
Concrete / Masonry Contractor:	_____
Demolition Contractor:	_____
Excavation (Land Clearing) Contractor:	_____
Fence Contractor:	_____
Finish Carpentry Contractor:	_____
Garage Door Installation Contractor:	_____
Glass and Glazing Contractor:	_____
Gunite Contractor:	_____
Gutter and Downspout Contractor:	_____
Insulation Contractor:	_____
Irrigation Sprinkler Contractor:	_____
Marciting Contractor:	_____
Painting Contractor:	_____
Paver Block Contractor:	_____
Paving Contractor:	_____
Plastering / Stucco Contractor:	_____
Reinforcing Steel Contractor:	_____
River Rock Contractor:	_____
Sand Blasting Contractor:	_____
Structural Steel Erection Contractor:	_____
Terrazos Contractor:	_____
Tile and Marble Contractor:	_____
Other Contractor:	_____
Other Contractor:	_____

If there are any questions as to who should be listed, please call the Building Department. Any person with whom a contract is made to perform construction services should be identified. Copies of signed contracts with names and licenses may be required for permit files.

RESIDENTIAL PERMIT CHECKLIST

- _____ 1. Did you provide the documentation of ownership as recorded in public records?
Documentation may be a tax bill, or recorded deed (warranty, mortgage or contract for deed).
Note: If you are not the owner, as identified by public records, you must obtain written permission to make improvements.
- _____ 2. Did you provide the written authorization for the potable water connection to the local utility?
- _____ 3. Are there any zoning regulations that will require the zoning department to approve? Is the the use a conforming use to Hendry County Codes?
- _____ 4. Have you provided the driveway connection approval or construction authorization permit from Hendry County Engineering or Central County Water District, as required?
- _____ 5. Have you provided a copy of a signed agreement or contractor for the removal of all construction debris or sludge from this project? Have you arraigned to have a portable toilet provided, in the absence of other accessible sanitary facilities?
- _____ 6. Have you completed the list of sub-contractors that you have contracted with for work on this project? All applicable lines must be identified, even if provided by same contractor.
- _____ 7. Have you provided the boundary survey with Flood Zone information with the application?
Needs to be signed and sealed by a Florida licensed surveyor or engineer.
- _____ 8 . Does your site plan (2 copies) contain the following minimum information?
- i. All existing structures. Also show proposed new construction, proposed phases, future projects, etc. with overall dimensions;
 - ii. Indicate all proposed or existing ponds, drainage systems, or retention ponds;
 - iii. Identify the points of the compass, utilities, demolition;
 - iv. Indicate fire hydrants, standpipe connections, fire pump locations, mains, branches and other potable water system sizes that are to be dedicated to use for fire suppression systems (if provided). Indicate all valve locations;
 - v. Indicate names and locations of adjacent county, city and/or state or federal road systems. Indicate connections to these roads.
 - vi. Indicate size and location of sanitary sewage piping and potable water lines. Indicate other pressurized piping (Gas, steam, non-potable water, fuel, etc.)
- _____ 9. Have you provide 2 complete sets of plans and specifications?
- _____ 10. Have you provided a complete copy of the signed contract for this project?
